

# LOCAL 464A PROUDLY ANNOUNCES A MONUMENTAL INCREASE IN OUR SCHOLARSHIP AWARDS

(Now available online at [www.ufcw464a.org](http://www.ufcw464a.org))

We are pleased to announce that the Trustees of the Educational Benefit Fund have increased the scholarship grants as follows: The top 3 recipients will be granted \$5,000.00 per year for each of their 4 years. Up to 17 additional winners will be granted \$5,000.00 for their first year of college. It should be noted that, in addition to full-time members and their dependents, this program is also available to part-time members and their dependents.

To be eligible, a qualified member must be in continuous good standing for at least twelve months immediately preceding June 1, 2026.

If you, the member, or one of your children will be graduating High School in June 2026 and have attained a good level of academic success, your application is invited.

The criteria used by the Scholarship Fund Committee is the academic record of the applicant and the information supplied on the application; therefore, it is necessary that all responses be accurate and complete. **No application can be processed unless an official transcript of the student's High School grades, complete up to the fall term of the senior year and SAT or ACT scores are filed with this office before the closing date, May 29, 2026. The applicant should have the High School forward this transcript directly to: Local 464A, 245 Paterson Avenue, Little Falls, NJ 07424, Attention: Scholarship Fund Committee. Additionally, any dependent of a Member of Local 464A must include a copy of their Birth Certificate or, if applicable, proof of adoption. It is incumbent upon the applicant to verify that his or her application, transcript and College Board scores are received by the Fund Office. The Fund Office is not responsible for any materials that are not received.**

There are two final conditions for qualifying for one of these scholarships. First, the applicant must have been accepted by a recognized four-year College or University and must have indicated intent to matriculate at this institution in September 2026 on a full-time basis. **Those applicants who are attending an accredited two-year College must submit a letter indicating that it is their intention to continue their education at an accredited four-year College or University to attain an academic degree. Second, the applicant must be present at the August 6, 2026, Scholarship Awards Dinner. Failure to attend the Scholarship Awards Dinner will void the scholarship.**
